Judy Castleberry

Judy, are  
you the sweetest  
one of the sophomores I know.  
You have a darling  
personality. There's nothing  
you have the best always.

Judy,  
you are  
really a cute  
gal with a sweet  
personality and a  
real talent for twirling.  
Remember our study  
hall days and all the  
troubles we had. Best  
of luck to one who deserves  
the best.

Always,  
Barbara  
Good

Best wishes  
to a nice girl, Tommy.  
Judy, one of  
you are the sweetest

you are always be yours,  
Let's enjoy high school &  
years of high school &  
I know we will as long  
as we stick together.

Love you,  
Deloise

Judy,  
You are a very  
sweet, cute, and nutty  
girl! We have had some  
real crazy and wonderful  
times. Let's have a lot  
more! (Our senior year - ya!)  
May you have a lot  
of everything!  
Love,  
Sharon J.

Judy,  
I'll never forget all the  
fun we had on the band trip.  
I hope we have as much fun  
next year, since it will be my  
last.  
You have a wonderful smile  
and personality, just keep them  
both and you'll go a long  
way in life.  
Love, Ray

# DEDICATION

*W. F. Hale*

Much serious thought goes into the selection of a person to whom to dedicate a yearbook. After a great deal of consideration, we, the HEREFORD staff, have unanimously chosen a person that we respect for his gentility, his mental attributes, his stability, his integrity, his subtle sense of humor, and his Christian character.

To Mr. W. F. Hale, modest, friendly, impeccably groomed teacher, we proudly dedicate the 1958-59 HEREFORD.

Dear Sis,

My eventful high school days are almost finished. As I look back on them I can see nor think of anyone but you, who has made them more pleasant and happier. You are a great inspiration and a wonderful girl. Although I could never put here, on this page, all the wonderful things you stand for in my sight, I feel you knew them. Dear Judy,

Boy!

This year was the darnest year I believe I've ever had to go through, and yet here it is closing up on us like a room getting smaller & smaller. (Wow! Dig that literature. I think I'll be a writer.) No, kidding it seems only yesterday that we registered for our Sophomore year. This year has really flown by, hasn't it? No matter how old we get, I'll never forget the good times we've had together, especially on school trips. I've heard a lot of people say their Sophomore year was their worst year and I believe I can say the same thing. I hope our Junior year <sup>is</sup> better. I could go on writing forever so I guess I'd better quit. Luck & success always.

Love forever,
